CENTRAL OFFICE

Commissioner for Patents

P.O. Box 1450

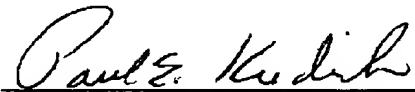

Alexandria, VA 22313-1450

Please be advised that on December 5, 2006 we electronically filed a response to the outstanding office action relative to the above-referenced patent application. As part of that response, we prepared and filed a Terminal Disclaimer.

This application claims small entity status and has since the initial filing. The paperwork filed on December 5, 2006 accurately reflects that this application claims small entity status, with the exception of the PTO electronic forms, on which we inadvertently neglected to indicate that this application is entitled to small entity status. Consequently, the electronic funds transfer resulted in the large entity status being charged.

Therefore, since this application has always been entitled to small entity status and since it was by error that the small entity status was not declared simply on the PTO electronic form, please, if possible, rectify this matter prior to the charge being put through by correcting this in advance of the electronic funds transfer being completed.

Any assistance you may provide would be GREATLY appreciated.
